

EDITORIAL COMMENT

Dear Reader,

In front of you is the first issue of our journal for 2015. It includes papers only in English language. Starting from this year we have the intention to publish some issues only in English and some issues with papers only in Bulgarian. However we will continue the tradition to print abstracts and the contents of each issue in both languages.

Once again we would like to inform you that the following Bulgarian institutions – the National Association "Ecological Engineering and Environment Protection", the Institute of Microbiology "Stefan Angelov" at the Bulgarian Academy of Sciences (BAS), the Bourgas University "Asen Zlatarov", the Institute for Space Research and Technologies – BAS, EVRIKA Foundation, with the participation of the Balkan Ecological Federation, the Department "Microbiology" of the Union of Scientists in Bulgaria, the Faculty of Biology at The Sofia University "St. Kliment Ohridski", the Trakia University – Stara Zagora, the University of Shumen "Bishop Konstantin of Preslav", the Institute of Electronics – BAS and the Institute of Chemical Engineering – BAS
